DUCTLESS HEAT PUMPS

Infinity® System Ductless Heat Pumps

The Future of Home Comfort Is Here

Models: 37MPRAQ, 37MAHAQ, 37MBHAQ, 37MGHAQ

Why Are So Many Homeowners Going Ductless?

Carrier's Infinity® System ductless heat pumps represent the pinnacle of comfort, efficiency, and innovation. Backed by years of design, development, and testing, these systems are built to deliver ultraquiet, personalized comfort in virtually any space, from home additions and converted attics to sun rooms and garages. With advanced zoning capabilities, they eliminate hot and cold spots while maximizing energy savings.

At Carrier, we know purchasing a new heating or cooling system is a big investment. Take ownership in helping protect your investment. Carrier is excited to offer you a Consumer Choice Warranty option. All Carrier Ductless Infinity Systems come with the option to select the warranty of your choice. Dealer participation is required.¹

ENVIRONMENT

With Puron Advance™, Carrier proudly continues our century-plus commitment to environmental stewardship. It's a refrigerant that helps deliver a 75% reduction in global warming potential compared to R-410A.

INVERTER COMFORT TECHNOLOGY

Carrier ductless systems continually adjust the compressor speed as conditions change—for consistent comfort with lower energy usage. Plus, enjoy year-round comfort with dependable performance in temperatures from -22°F to 122°F.

EFFICIENCY

With SEER2 ratings up to 35.1 and HSPF2 ratings up to 15.6, all our Infinity® Systems are ENERGY STAR® certified. Take advantage of energy-saving features like eco mode to cut energy costs up to 60%—without compromising on comfort.

SOUND

Each model features an inverter-driven compressor that adjusts output automatically to maintain ideal comfort. With sound levels as low as 53 dB(A), they offer powerful performance with near silent operation.

PERSONALIZED COMFORT

Connect up to six indoor units to a single outdoor unit—to deliver individualized temperature control in every room of your home. Decide the temperature you'd like a zone to be, and the system quietly maintains it.

CONVENIENT CONTROLS AND FEATURES

Carrier Infinity System ductless units offer features like I-clean active cleaning and Intelligent Eye, an occupancy sensor that can tell when you're in the room and direct fresh air your way.

LIMITED PARTS WARRANTY

To the original owner, Carrier Infinity ductless heat pumps are covered by a 10-year parts limited warranty upon timely registration.*

¹ Upon timely registration, on eligible equipment select either a 10-year parts only limited warranty or a five-year parts + three-year labor limited warranty. Dealer participation required. See limited warranty certificate at carrier.com for complete details and restrictions.

Bring a Boost of Comfort to Any Room

The Infinity Advantage

Carrier ductless has options for every space and budget. See how our Infinity System measures up with superior performance, cutting-edge capabilities and excellent energy efficiency.
